

The Colchester Giving Garden is in full swing with its ninth growing season. The garden volunteer team meets on Tuesday evenings at five O'clock to do weekly chores. We have already donated over fifty pounds of fresh asparagus to the town food bank, the meals on wheels program in town and to area soup kitchens. Soon we will be harvesting many vegetables to help those in need. All are welcome to join in at the garden....no gardening experience is necessary, just enthusiasm to help others.

For more information write to our email address and get on the email list or come on down to the garden which is behind the senior center at 95 Norwich Ave.
