

COLCHESTER CARES GIVING GROUP

Colchester Cares started in 2020 with the mission to support causes in Colchester through collective giving. The group has now grown to 60 members and has donated over \$60,000 to our community since it began.

Next Quarterly Meeting

Wednesday, July 2, 2025 at 7 p.m.

at the Cragin Memorial Library.

Light refreshments

How it works

The model is simple – members join the group and commit to donating \$100 every quarter. Members meet each quarter to discuss important causes in town, then vote on where to donate the group's dollars. The collective donations are then distributed to the chosen causes.

Benefits of joining

It's an easy way to be charitable in your own community. Donations and voting happen online.

Connect with others to discuss what is happenings in town and how to help.

There is no long-term commitment – join/leave/join again when you choose.

100% of your donation, minus credit card fees, goes to the chosen causes.

We work with a non-profit foundation, so all transactions are secure, anonymous and tax deductible.

It's easy to join!

Go to: www.colchestercares.org/join You can become a member at any time – donations aren't due until after each quarterly meeting.

Please visit www.colchestercares.org or follow the group on [Facebook](#)
