MCEDSV Annual CoC Training: Domestic Violence 101 Webinar

January 7, 2025 10:30a-12p

This comprehensive training session introduces participants to the foundational concepts and dynamics of domestic violence (DV). Designed for professionals and community members working with DV survivors, this session aims to enhance understanding, empathy, and practical skills for supporting individuals affected by domestic violence. According to HUD policy, all staff involved in housing programs must undergo training on DV/HT as mandated by the Violence Against Women Act (VAWA).
