National Research Study on Tenant Right to Counsel

We are interested in learning more about tenants experiences with programs that provide access to a lawyer when they are facing eviction.

Share your experience about using these programs so we can understand more about how the programs are working in different parts of the country. If you are 18 or older and have worked with or tried to work with a lawyer to address an eviction, please give us a call. The study involves a 60-minute interview. Compensation is $75 for participation.

To learn more or to see if you are eligible to participate, please call us (203) 903-4306, email us at evictionresearchproject@gmail.com, or scan the QR code below to provide us with your contact information.

A member of our research team will get back to you shortly.
