★★★★★★★★★★★★

This **nonpartisan**, **public forum** is organized by service providers and will provide an opportunity for **mayoral candidates** to ***share their vision and priorities*** to address homelessness and housing in Detroit.

The forum will address 3 specific areas:

1. Transforming the homelessness service system through implementing person-centered and Housing First best practices and creating collaboration with other service systems.
2. Increasing permanent supportive housing and deeply affordable housing in Detroit.
3. Investing in durable funding for the Homelessness Service System.

RSVP and submit your question to the candidates by scanning here:
