Seeking Consultants with Lived Experience of Homelessness

WHO: The City of Detroit Housing and Revitalization Department, the Homeless Action Network of Detroit, Detroit Continuum of Care and contracted consultants' Barbara Poppe and Associates

WHAT: Are launching a strategic planning process grounded in diversity, equity, and inclusion and hiring two individuals with lived experience of homelessness.

Take Part In The Change!

Consultants will assist in navigation of Detroit's systems, inform and guide the Strategic planning process. The individuals must demonstrate interest and commitment to participating in the consultant project plan that will support the process and development of the products associated with the strategic improvement plan.

Full participation as a member of the BPA team includes:

- Orientation and onboarding to the consulting team and the project
- Participate in monthly meetings with consultant team and the project management team
- Attend and support meetings with community stakeholders and planning participants
- Co-lead the engagement with residents with lived experience
- Key advisors on the local response to homelessness and the system and programs that have been established to prevent and end homelessness
- Review and comment on documents developed across the consultation

Contracted Work: May 2023- June 2024 **Compensation**: $1,135 per month **Time Commitment**: 159 hours across 14 months Ex. May 10 hrs.| June 7 hrs. | July 15 hr.	Most work will be during regular business hours virtual/remote so daytime availability will be required. Consultants will be required to sign a consulting services agreement and provide a W-9.

Applications and Hiring Process:

Interested applicants should provide their name and contact information (email and phone) along with a **statement** about their qualifications and interest to Kourtneyclarkconsulting@gmail.com . We will begin interviewing applicants **04/12/2023.** Interviews will be conducted by Kourtney Clark and David Dirks.
