Warming & Respite Centers

From 8am to 6pm Mon - Fri, you can contact the CAM team at 313-305-0311 for assistance in finding warming centers in Detroit with sleeping accommodations, meals, showers, and housing assistance.

If you are sleeping outside or in your car when all CAM services are closed and need shelter, there are two options that can help you find a safe place to sleep for the night:

- Call 866-313-2520 to be connected with a Street Outreach team, Motor City Mitten Mission
- Go to the nearest police station, visit bit.ly/41i51Ke

Call 866-313-2520 for Cold Weather Emergency Shelter

The city has several overnight shelters, along with respite centers that are open during the day. Respite centers include recreation centers and library branches, which are available during normal operating hours.

In a Code Blue, all overnight warming centers and shelters can be accessed at any time by walking in, no referral needed.
