## **Lunch Dismissal**

*Lunch is a time for relaxation, refreshment, and enjoying good company.*

- (1) Ten minutes before lunch ends, find your seats, and make sure the area is tidy.
- (2) Five minutes before lunch ends, your table area should be tidy and ready for dismissal.
- (3) Raise your hands and wait patiently for faculty to dismiss your table.
- (4) When dismissed, proceed quietly to your lockers to prepare for class.
- (5) Out of respect for classes in session, speak quietly through the passing period.
