SUMMERPRO100 <http://prescott.erau.edu/degrees/programs/camps/index.html>

#### **Foreign Exchange Programs:**

Why become an AFS exchange student now? Living and studying abroad will prepare you for life in ways that no other experience can - you'll learn more, gain more and grow more than you thought possible. AFS has grown into an organization that offers a broad range of programs (140 programs) for high school students in 40 countries. There are year, semester programs as well as summer programs. Check out the programs on the website - [www.afs.org/usa/](http://www.afs.org/usa/) or call 1-800-AFS-INFO1

#### **TGen - Helios Scholars Program (Paid Internship)**

For students at least 16 years of age, U.S. Citizen, and full-time student. Helios offers an internship in biomedical research at the Translational Genomics Research Institute (TGen). Interns work on a research project, attend educational seminars, learn about bioscience career options, practice scientific writing, and more. Must be available to work 40 hours/week. Application is available online at [www.tgen.org/intern](http://www.tgen.org/intern).

**Maricopa Integrated Health System (MIHS)** offers an opportunity for high school students to volunteer and learn about professions in the health care environment. This summer program is designed to provide an overview of the clinical setting while the student is volunteering either at Maricopa Medical Center or one of our outpatient clinics. MIHS operates the third busiest hospital in the county, Maricopa Medical Center, which is home to the Arizona Burn Center and is the only hospital in the valley to have both a Level One Trauma Center for adults and pediatrics in the same facility. We serve a diverse patient population and invite your students to become a part of our volunteer family. Junior Volunteer Applications are available at: <http://mihs.org/volunteers>

#### **Midwestern University Summer Health Careers Institute**

FREE PROGRAM For high school students age 17 or older who are accepted into program. Contact: Janet Reiman, 623/572-3298 [jreiman@midwestern.edu](mailto:jreiman@midwestern.edu). Download application at [www.midwestern.edu/azhealthcareersinstitute](http://www.midwestern.edu/azhealthcareersinstitute). For high school students who want a head start on becoming health care professionals, Midwestern University offers an annual 8 day hands-on summer institute. MWU faculty and advanced students will teach workshops in anatomy and introductory skills for more than a dozen health careers, with a special focus on how to prepare for college and what to expect from each profession. Guest lectures will include current medical topics in Osteopathic Medicine, Surgical Skills, Physical Therapy, Optometry, Pharmacy, Occupational Therapy and more! In addition, participants will attend a

behind-the-scenes field trip to Arrowhead Hospital and an interactive Emergency Medical Services mock rescue scenario with the Glendale Fire Department. All applicants are required to submit a letter of recommendation and a transcript. Applications must be postmarked no later than May 1<sup>st</sup>, 2017.

#### **PHOENIX SAGUARO LIBRARY NEEDS TEEN VOLUNTEERS**

Teen Summer Volunteers are an integral part of an 8 week program that takes place during Phoenix Public Library's annual Summer Reading Program. All summer volunteers are required to attend a training and orientation session at the beginning of the summer to learn their jobs and responsibilities. <http://www.phoenixpubliclibrary.org/pageView.jsp?id=6064>

#### **Phoenix Sister Cities International Exchange**

Juniors and sophomores residing in Phoenix interested in becoming ambassadors to one of Phoenix' Sister Cities are encouraged to apply for this exciting opportunity. Deadline for applications is December at the downtown Phoenix office. You will travel to your host country in early June for about 3 weeks and will host your foreign student here in Phoenix when you return. You will also participate in various Phoenix Sister Cities activities throughout the year. Some of the countries in which Sister Cities are located are Ireland, Japan, China, Mexico, Canada, France, Italy, Taiwan, Czech Republic and Israel. For more information and applications see [www.phoenixsistercities.org](http://www.phoenixsistercities.org) and click on 'Programs' then 'Youth Ambassador Exchange Program'.
