

LWML Mites Mission Of The Month March

Mites Mission of the Month (NID District):

Lutheran Books for Buddhist Southeast Asia: The Lutheran Heritage Foundation has requested this funding to translate and publish several thousand books (like Luther's Small Catechism and Bible Stories in Pictures) in the languages for the people of Southeast Asia. The books will be given free to families and churches that need them.

Contribute Mites through your weekly Peace offering envelope.
Thank you for your support!
