Dear Peace Family,

I am excited to announce the return of in-person worship here at Peace beginning Sunday, March 7 at 8:30 and 10:30 a.m. I want to thank you for your patience and faithful support as we have navigated the pandemic thus far. Some of you have been very eager to return to in-person worship. Others of you are waiting for the vaccine, some for the final “all clear” before you return in-person. No matter your comfort level, there are ways for you to continue to feel connected with Peace. We will continue to live-stream our services on Sunday mornings along with our in-person worship. Recorded services are available on our website. We also have several Bible study groups available on-line and through Zoom.

We invite members, regular attenders, their guests, and even first-time visitors to join us in-person. Attendance will currently be limited to 50 people per service. We just ask that you register in advance for Sunday mornings. Watch the Peace newsletter for registration details. If you have health issues or other concerns, please do not feel obligated to attend. If you are planning to attend, please note that masks must be worn in the building at all times and social distancing is required. Hand sanitizer and masks will be available for those who need them. Please note, Sunday School or Adult Education will not be returning at this time.

May God continue to bless the ministry of Peace and keep you safe during the remainder of this pandemic.

In Christ,  
Pastor Marty Hufford
