

# Time to **THINK SPRING**

with the **Peace High School Ministry Plant Sale**

It is never too early to think about April showers and May flowers! Once again, our high school youth are sponsoring a plant sale that will bring joy and color into our lives. The funds they raise will help fund their general Youth Ministry including upcoming events, winter retreats, and a possible trip to the 2022 National Youth Gathering in Houston.

Please consider placing an order. Enjoy the good feeling you will have knowing that you are helping our youth group and enjoy beautiful plants as a bonus. Feel free to invite friends, family, neighbors, and co-workers to participate in this endeavor. The flowers come from a reputable nursery in Michigan. They are very high quality and beautiful, too!

Please fill out an individual order form for each person. Feel free to make copies or print additional order forms at [peacehome.org](http://peacehome.org)
