

Early Careerist Network, September 2018

NETWORKING

The Networking Team is planning a joint fall event with our Membership Team, aligning a networking experience with our celebratory 2018 Mentorship Program kickoff event. The event is tentatively scheduled for mid-October 2018.

PROFESSIONAL DEVELOPMENT

The Professional Development Team held our 2nd 2018 panel series focused on "Making Your Next move" and career transitions this past Tuesday. The event was a joint collaboration with the Boston Young Healthcare Professionals (BYHP) whose leadership team worked with our team for all event planning, execution, and marketing. We had 100+ attendees.

MENTORSHIP

The Mentorship Team has successfully recruited 43 ACHE mentors for our upcoming 2018 program representing a near 30% increase in mentoring matches vs 2017. The team is now working together with our Networking Team to plan our upcoming 2018 Mentorship Opening Event. The event is tentatively scheduled for mid-October.

FUTURE LEADERSHIP DEVELOPMENT

No new updates.

SPONSORSHIP

The Sponsorship Team recently landed their first new sponsor KForce this past summer (\$500 investment in ECN).

COMMUNITY ENGAGEMENT

The team completed another successful civic engagement event on June 30th. Great attendance / engagement with the community overall. They are now planning a 3rd event which will be held in the fall.

HEN

HEN Team continues to reboot their strategy and is working with Karen when it comes to engaging our existing HEN schools / exploring new schools such as Harvard & MIT.

BYHP-ECN Collaboration

The Professional Development continues to work directly with BYHP leadership when it comes to their jointly-sponsored fall panel series. The team also completed a team-building "get to know you" event where ECN & BYHP members came together for a fun kickball game. The event was held on June 14th on the esplanade.
