**Now Seeking Artists for Frame of Mind 2025-2026 Exhibit**

The Frame of Mind gallery at the Memory Hub features art created by people living with memory loss. Art is displayed for one year for visitors to enjoy. 12-15 artworks are displayed, typically 2-4 pieces per artist. We are now seeking artists for the 2025-2026 season. You don't have to be a professional artist - anyone is welcome!
