

Start a Memory Cafe in Your Community

Free Training • Washington State • Launching 2026

Memory Cafes are informal, social gatherings for people living with dementia and their care partners/caregivers.

The Memory Cafe Expansion Project, with support from the Memory Cafe Alliance, is recruiting community members to participate in a no-cost training program that teaches you how to start and operate a community Memory Cafe in Washington.

Who Should Apply?

We welcome people from many backgrounds, including:

- Community members and volunteers
- Libraries, senior centers, and community organizations
- Arts and culture facilitators
- Faith communities
- Care professionals and advocates
- Anyone passionate about dementia-friendly communities
- *No prior experience running a Memory Cafe is required.*
