Crew Callout! Crew 27

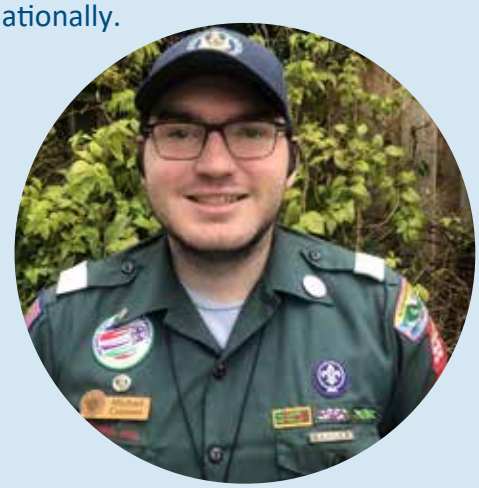

Snowfall is no reason for cold feet! Crew 27 braved the ice this winter on their fun-filled Arctic Wolf Expedition. They built snow shelters and participated in activities such as shelter-building, fire-making, and even avalanche detection! The entire Crew had a blast participating

A Brief History of Venturing

In 1935, BSA unveiled the "Senior Scout" divisions that introduced programs from Air Scouts to Explorers. These groups were consolidated into the present-day Venturing program in 1998, creating a unique community of like minded individuals passionate about adventure and challenge!

Leadership Profile

Michael Conover is an associate advisor for the SV/PacSky Council VOA. Michael serves actively with Troops 163 & 2163 in Milpitas, Ship 300 in Alviso, and Crews 163 & 55 in SVMBC. He looks forward to seeing more inter-Crew activites as Covid restrictions ease, since the best part of Venturing are the friendships made locally, or even internationally.

Upcoming Events

The University of Scouting (UOS) this year is being offered virtually over the week of May 15th-22nd. The UOS is hosting several Venturing specific courses along with 50+ other offerings. Classes have been updated to help address the challenges presented by Covid-19. Registration is now OPEN on the SVMBC Training website page.
