

Goals – so we have a place to start!
This is a 7 step process for setting congregational goals right now.

- ☐ Clarifying Values—a quick plan
- ☐ Stakeholders—a fresh look
- ☐ Strengths Identification—realistic capacity
- ☐ Opportunities—with focus
- ☐ Aspirations—hope is everything
- ☐ Results—forward movement helps
- ☐ Communication Plan—even more important

Please keep us in your prayers as we listen to God's call for our congregation this fall through this process.
