

How to Create a Change My Heart Fundraising Page or Join or Create a Team

To participate in Change My Heart (CMH) online, visit <https://app.mobilecause.com/vf/ChangeMyHeart> and start a fundraiser!

Once you're on the website, click the button that says "Start a Fundraiser".

Once you click on that, it will bring you to a screen, pictured right. You will need to fill out the form to begin setting up your fundraiser.

Once you have completed the form, click "Continue...". You will then be taken to a screen (pictured below) where you can choose to personalize your fundraising page, or join or create a team.

If you are **creating an individual fundraiser**, click "Personalize my page". There, you will be able to edit your fundraising goal, add a photo, and explain why you're participating in CMH!

You can then begin sharing the link to your page with your friends & family! You will also get your own unique text code – when people text your code and make a donation, those donations will appear on your fundraising page!

Set-up a Change My Heart (CMH) fundraising page today!

Your CMH fundraiser can be as easy or creative as you want to make it! Create an online fundraising page here. If you want to get involved offline too, consider placing a collection container in your school or at a local business or plan fun activities to go along with the fundraiser.

If you have any questions, contact: Tina Larson (TLarson@childrensheartfoundation.org).

First Name *	Last Name *
<input type="text" value="First Name"/>	<input type="text" value="Last Name"/>

Mobile Number *	Email *
<input type="text" value="Mobile xxx-xxx-xxxx"/>	<input type="text" value="name@example.com"/>

Address *
<input type="text" value="123 Address Blvd"/>

City *
<input type="text" value="Your City"/>

State *	Zip *
<input type="text" value="Your State"/>	<input type="text" value="12345"/>

Great! You've just become a fundraiser!

What would you like to do now?

If you would like **to join a team** that already has been created, click “Join or Create Team” – you can then search the name of the team you want to join (shown below).

Join / Create Team

Create a Team

Q Search for existing Team

Once you join, you will be added as a fundraiser for that team and can still customize your individual fundraising page by editing your goal, adding photos, etc. Any money you raise on your individual page will be counted towards the team total!

If you want **to create a team**, click “Join or Create Team” and click on “Create a Team”.

Join / Create Team

Create a Team

Q Search for existing Team

You will then be taken to a screen (pictured below) where you can choose a team name, add a team photo, and write a message about why your team is participating. If you create a team, you will become the team captain.

By creating a team you will be the Team Captain by default. This team page will replace your personal page.

Once you've set up your individual fundraising page or team page, it's time to share it with your family and friends!

Every individual page and team page will have its own link and unique texting code (example below).

If you're part of a team, everyone on that team will have the same text code – that way, any donations made will count towards the team total.

The image shows a mobile fundraising page for 'Change My Heart'. At the top, there is a red banner with the 'Change My Heart' logo, which consists of the text 'Change My Heart' in a red, cursive font above a heart shape made of small, colorful coins. Below the banner, the text 'Share your page, Lauren!' is centered. Underneath this is a link field containing the URL 'https://app.mobilecause.com/vf/ChangeMyHeart/LaurenDevoe'. Below the link are three social media icons: Facebook, Twitter, and Email. A horizontal line with a circle containing 'OR' is centered below the icons. Below this, the text 'Tell your friends to text ChangeMyHeart3 to 71777' is displayed. At the bottom, there are two buttons: a grey button with a pencil icon and the text 'Edit My Page', and a white button with a plus sign and the text 'Join or Create a Team'.
