

Horry County Department of Parks & Recreation facilities will re-open to the public on Monday, June 22<sup>nd</sup>. This includes Recreation Centers, Community Centers, and the Cochran building. All HCPR facilities will resume their normal operating hours. Those with memberships will be refunded a pro-rated amount based on the amount of time our facilities were closed and their memberships will remain valid until the original expiration.

The Recreation Centers will be offering pickleball and basketball during designated hours only, while the walking tracks will be open the entire day. Gym schedules can be found below. Fitness classes will be offered with limited capacity, so those interested are encouraged to register online [here](#) to ensure their spot.

In an effort to make our facilities as safe as possible and to stop the spread of COVID-19, our staff will be wearing masks, gymnasium capacity is limited, cleanings are being conducted more frequently, drinking fountains have been disabled, hand washing stations have been added, and social distancing markings have been placed throughout the Centers.

We appreciate your understanding during this time and ask that everyone visiting our facilities please be respectful of social distancing guidelines. We strongly encourage visitors to wear masks while in common areas and will have them available at the buildings. Please bring your own water bottles and any personal equipment needed for fitness classes.
