

Chief Data Officer and Information Quality (CDOIQ) Society

“Of the members, for the members, by the members”

A professional society supporting data, data analytics and AI leaders around the world with networking, meetings, best practices, experience, certification, and training.

Agenda

**What Is The
CDOIQ Society
Vision & Mission?**

**Who Should
Consider Joining
The CDOIQ
Society?**

**What Are The
Benefits Of Joining?**

**Who Are The
CDOIQ Society
Organizing Team
Members?**

Vision

“Empowering Visionaries, Advancing Data, Data Analytics and AI Leadership”

- Empower Chief Data Officers, Data Analytics and AI Leaders to become strategic visionaries—driving ethical innovation, enterprise transformation, and sustainable business value through trusted data leadership, global collaboration, and real-world expertise
- Embrace a transformative approach to data, data analytics and AI leadership that goes hand-in-hand with providing experienced trusted advisors, education, global best practices and certification

Mission

“Providing data professionals with real-world solutions.”

Driven by global thought leaders, our mission is to elevate the profession of Chief Data Officers and Senior Data Executives by advancing ethical, impactful, and innovative data leadership.

We provide proven frameworks, peer collaboration, and practical resources to navigate the complexities of the data, analytics, and AI landscape.

Our Founder

Dr. Richard Wang

	Founding Executive Director, CDOIQ Program FMR Prof., MIT Sloan School of Management
