

CDOIQ Society Proseminar

We're excited to launch the CDOIQ Society Proseminar Series, a monthly virtual forum featuring thought leaders from industry, academia, and government in the fields of data, analytics, and AI.

Sessions are tentatively scheduled for Weekdays from 12:00–1:00 PM ET, starting on June 2025, offering engaging discussions on emerging trends, best practices, and real-world insights from top industry experts.

Stay tuned for speaker announcements!
