Who is Thrivent?

We exist to help people achieve financial clarity.

We believe money is a tool, not a goal. Driven by a higher purpose at our core, we strive to help people make the most of all they've been given.

At our heart, we are a membership-owned fraternal organization, as well as a holistic financial services organization, dedicated to serving the unique needs of our clients. We focus on their goals and priorities, guiding them towards financial choices that will help them live the life they want today—and tomorrow.
