Complete Registration
Note: Please only click the 'Complete Registration' button once.

- If an Agency/BGA was selected on previous screen (image below is using Newman Long-Term Care as the selected Agency/BGA), then user will see defaulted Companies approved for use by the selected Agency. If there is a Company not listed, they will be able to add additional Companies once they are registered. See [Existing Winflex Users](#).

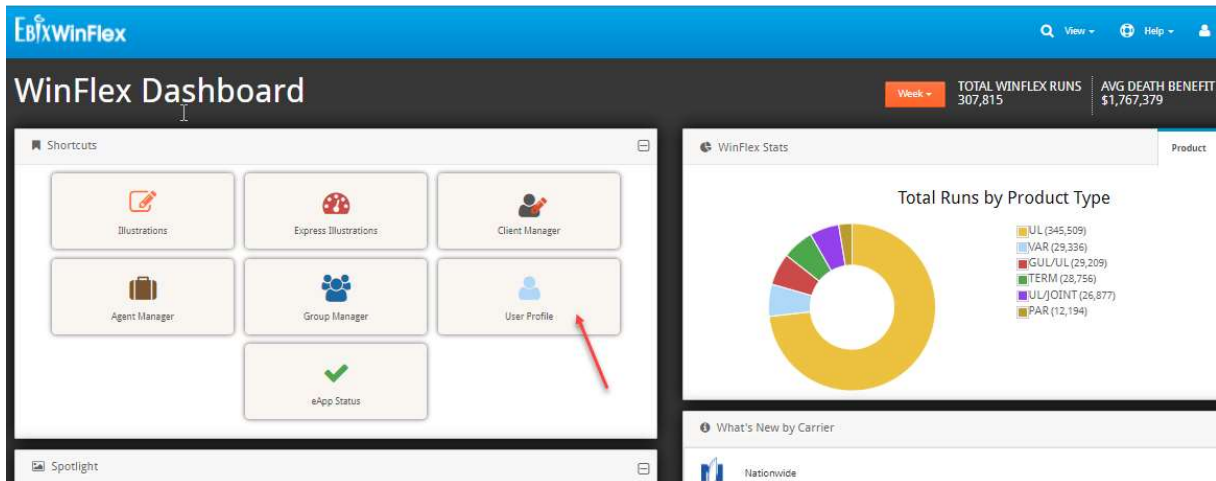

5. Click on Complete Registration

- User will get two emails
 - First email will be a temporary password to use for first time log-in. They will be prompted to change password once logged in
 - Second email will be from Thrivent indicating approval for Company

Existing Winflex Users

1. Log in to Winflex
2. Click on User Profile

3. Go to Add Companies, select Company, and click on Place Request

For internal use only. Not to be shown or distributed to the public.

- For access to LTC products only, user should select Thrivent LTC Solutions.
- User will then get email when the company approves or declines their request.

Note: if user already has access to Thrivent Financial they may not see Thrivent LTC Solutions as they have access to the LTC and CareForward illustrations through Thrivent Financial company.
