

We Need Auction Items!

Please help us add some sparkle to our Spring Benefit with out-of-this-world auction items. Can't think of anything to contribute? **Start by thinking about...**

- **your family's business**. Do you do anything that other families might need or enjoy? Could be anything from medical services (botox, orthodontics, elective treatments) to products you manufacture or import (electronics, auto care products, home improvements, etc) to career experiences for kids.
- **businesses you frequent**. Have a favorite restaurant, spa, gym, florist, or service provider? Does your child take music, sports or dance lessons? Ask these businesses if they would be interested in contributing. Many companies are thrilled to have access to Foothill's clientele and we would be sure to provide them visibility (event mentions, signage, social media) for advertising.
- **your hobbies and memberships**. Do you have season tickets? Exclusive or unusual hobbies? Share them with our Foothill community! One idea: do you have a frequent flyer or bank card with "points"? Sometimes those can be redeemed for airline vouchers or restaurant gift cards. That wouldn't cost you a dime, and we would love the cards!
- **activities you or your own family would love!**

Gift Cards
Restaurant and fast food gift cards - any amount is great because we can pair these with other things to create awesome silent auction items.
Visa and Amazon gift cards are fantastic because we can use them to help fund supplies for teacher experiences.

Ready to donate an auction item? Please bring it to the office with this form, or contact Maricela Sanchez at msanchez@foothillcds.org. Donors are recognized with the item description in the auction.
