FOR IMMEDIATE RELEASE:

Hiway Federal Credit Union® (Hiway) Will Spread Kindness on 2nd Annual Pave the Way Day

(St. Paul, Minnesota) September 29, 2016 – Hiway Federal Credit Union® (Hiway) associates will spread kindness Monday, Oct. 10, their 2nd annual Pave the Way Day. This year, Hiway associates will be making meals for families at two Ronald McDonald House locations and collecting food and money for a “Fill the Truck” food drive to benefit Keystone Community Services. Hiway has also asked their members to help “Fill the Truck” by either donating food items or purchasing a paper icon to show their community support.

“Community outreach is a basic and fundamental value at Hiway,” said Dave Boden, president and CEO. “We are excited to join more than 25 Minnesota credit unions, devoting the day to spreading kindness in our community, supporting one of the basic credit union principles of people-helping-people. Joining other credit unions showcases the true power of collaboration.”

Through the collaborative efforts of 25 participating credit unions, more than 1,200 employees and members will dedicate 7,300 total volunteer hours to scatter kindness, impacting an estimated 22,000 people in more than 65 communities around the state.

If you and your family would like to donate for the food drive, call or stop by any Hiway location by October 10 to help “Fill the Truck!”. Visit hiway.org for more information.
