## A NIGHT TO EXPLORE THE FORM AND FUNCTION OF THE DANCER AND THE ATHLETE

What started as two different organizations sharing a common space grew to become a group of people that share a common vision.

*The Art of Boxing. The Sport of Ballet.*, springs from the partnership between the St. Paul Ballet and Element Gym and is an evening of performance and boxing exhibition that explores the similar beauty behind the movement and preparation of the dancer and the athlete.

With the help of a \$52,000 match from our friends at the Knight Arts Challenge we will transform a gym into a performance space with a stage and a boxing ring, tables and row seating, lights and music.

Dress up or dress down and enjoy beer and wine, a spread of hors d'oeuvres and desserts including Thai skewers, pulled pork & chicken bitty burgers, fruit & cheese platters, creampuffs, dipped strawberries and more. Finish the evening with dancing to the DJ.

Bring a group or bring a date but get your tickets before they're gone!
