**John McCormick Joins Braun Intertec as Chief Operating Officer**

**Minneapolis – October 20, 2016** – Braun Intertec, a premier engineering, consulting and testing firm, is pleased to announce John McCormick is joining the firm as Chief Operating Officer. As a seasoned business executive, John brings 32 years of expertise in areas including operations, financial management, business planning and analysis, acquisitions and more.

“I’m incredibly happy to welcome John to the team. His proven track record of financial and operational success will be an invaluable asset to our firm,” says CEO, Jon Carlson. “John adds to the depth and breadth of our team with his exceptional business expertise that spans various service industries and business models, including experience with growing employee-owned companies. As a 100% employee-owned firm, I’m confident that he will help develop and inspire our talented team at Braun Intertec and drive positive outcomes.”

Prior to joining Braun Intertec, John led financial and operations teams at various manufacturing, technology and service companies, including roles as a vice president and chief financial officer. John holds a Bachelor of Science degree in accounting from the University of Wisconsin, and as a Certified Public Accountant he also received the notable Elijah Watt Sells Award.

John currently serves as an Executive Committee board member and Finance Committee chairman for Bolder Options and the PinkySwear Foundation. He is actively involved with several ESOP organizations, which includes roles as a board member of Kreg Tool, and as the Lead Director, Audit and Compensation Committee Chairman, and ESOP Committee board member of Realityworks.

**About Braun Intertec**
