

**Cypress School District
Community Meetings to Gather Public Input
on Trustee Area Maps**

The Cypress School District Board of Trustees has initiated the process to change the manner in which members of the Board are elected. Currently, Cypress School District holds at-large elections, in which each member of the Board is elected by registered voters of the entire school district. Under the new system, Board members residing in each trustee area will be elected by the registered voters in that particular trustee area.

The district is hosting two community meetings to provide information on the new election system and gather feedback on three trustee area maps. The Board will ultimately select one map for adoption.
