

Spring 2021 Virtual College Fairs

PRESENTED BY CASDA IN PARTNERSHIP WITH STRIVESCAN

.....

We are excited to announce that together with StriveScan, CASDA will be hosting two virtual college fairs this spring. StriveScan's 6x6 Virtual College Fair™ format consists of six colleges each presenting for six minutes. It is designed to closely replicate an in-person college fair browsing experience. The sessions will last a total of 45 minutes.

Students are encouraged to register for multiple sessions!

Once students register, they'll receive an email with a link to join the session. Reminders will be sent one day and one hour before.

Students can interact with reps from all six colleges throughout the 45-minute session via the Q&A chat. Students may direct questions to a specific institution or ask general questions to the group.
