Dear Friend:

On Thursday, October 10, 2019, we will hold our Second Annual Ante Up for ELDR night. Last year's inaugural event was a wonderful evening filled with food, drink, and casino games. We were able to re-connect with old friends and make new ones while sharing how we have utilized your support to better our community.

This year's event takes on added importance for us. In the two and a half years since ELDR Center opened its doors, we have worked hard to change lives and perspectives. We have helped hundreds of seniors and people with disabilities live with dignity and understand their rights. We have served families caring for loved ones. And we have successfully litigated a series of federal cases to protect the constitutional rights of our most vulnerable residents. But future successes are threatened by increased challenges. Local pressure against our fight to aid the area's homeless community continues and more money is being spent to contest our litigation than ever before. We need your help to ensure our work continues.

Attached you'll find our sponsorship tiers and related benefits. In particular, supporters who meet or exceed the Patron level will be invited to join our ELDR Center Advisory Board. We hope this allows our strongest supporters to impact our direction in a meaningful way.

I hope to see you on October 10 for another fun evening. Please let me or any of our Executive or Advisory Board members know if you have any questions. As always, thank you for all of your support—we could not do this critical work without support from you.

Sincerely,
