

COLLABORATIVE FOR FAMILY ENGAGEMENT & LEARNING @ EANH

The Collaborative for Family Engagement & Learning at the Education Alliance for New Hampshire strives to strengthen educational outcomes for all New Hampshire students by connecting families, schools, and communities as partners in the academic success and wellbeing of students. Building the capacity of educators and families, elevating family voice, and sustaining a statewide infrastructure that supports meaningful family-school-community collaboration is at the core of the Collaborative.

1 PROMOTE ACCESS FOR ALL FAMILIES

2 STRENGTHEN FAMILY-SCHOOL PARTNERSHIPS & COMMUNITY COLLABORATION

HISTORY

The Collaborative for Family Engagement & Learning, at the Education Alliance for New Hampshire, builds on the work started by the NH Statewide Family Engagement Center grant to foster sustainable partnerships among families, schools, and communities.

MISSION

To strengthen educational outcomes for New Hampshire students by connecting families, schools, higher education institutions, and communities as partners in students' academic success and well-being.

VISION

We envision a statewide infrastructure where families and educators work together through meaningful, lasting partnerships to support every child's learning and development.
