

FOSNA FRIENDS OF SABEEL NORTH AMERICA

A Christian Voice for Palestine, presents:

Rev. Dr. Munther Isaac

Spend an evening with the Palestinian pastor of the Evangelical Lutheran Christmas Church in Bethlehem, currently touring the U.S.

He will address the impact of the silence of many U.S. churches in the face of mass civilian casualties and the destruction of the Palestinian homeland.

Pastor Isaac is a renowned international speaker and author who gained global attention in December 2023 for his sermon, "Christ Under the Rubble" which was heard by tens of millions of people. He is also the academic dean of Bethlehem Bible College.

"Let it be clear: Silence is complicity, and empty calls for peace without a ceasefire and end to occupation, and the shallow words of empathy without direct action—are all under the banner of complicity...this genocide must stop now."
