

After the giving of the Ten Commandments, Moses climbs Mount Sinai again. He is alone as he draws near to the 'thick darkness' (verse 21). In the book of Exodus, God is often described in terms of 'glory' - an extremely bright light so dangerous that it needs to be surrounded by a protective cloud. It hides God from human view, because to know God fully is beyond what human beings can bear. We are still able to connect with God through Jesus Christ, the Holy Spirit and His Holy Word. Thanks be to God.

FURTHER THOUGHT.....Think of one thing you did this week that caused a 'dark cloud' to be removed from your life, (Thanks be to God.)
