Speaker Bio:

Katherine Saaid has been with Lutheran Family Services since 2022. She is passionate about providing refugee families with resources to empower them to thrive in their transition to the US. Originally from Sudan, she has firsthand experience with the challenges of adjusting to a new culture. She received her bachelor's of Natural Science from Grace University with English Language Learner endorsement in 2018 and her master's of Human Services Counseling from Liberty University in 2021.
