

Please join us as we celebrate 33 years of Flushing Area Concerts in the Park! The 2019 season was very successful thanks to our sponsors, our community and our partner, the Flushing Area Chamber of Commerce, a 501 (c)(6). We are promoting the 2021 concert series as an opportunity for our sponsors to take ownership of eight concerts, which consist of two new groups, one to return after several years and five old favorites. Thank you for your past support, and we hope to welcome you as a sponsor again this year.

Enclosed is a copy of our 2021 Concerts in the Park schedule, celebrating 33 years of providing entertainment to our community. This community event is not possible without the generosity of our sponsors. This year our concert schedule will again include ***Irish Night***, our most popular and well-attended event.

All sponsors will be listed on our handout literature and major sponsors (\$500 and above) will be recognized on our large banner which is prominently displayed at each concert. **We are continuing the business link for sponsors of \$800 and above.** Please look over the enclosed sponsorship opportunities and let us know how you would like to assist us this year. To meet our printing deadline please be sure to respond by May 14, 2021.

We encourage you and your business to also donate items for the weekly raffle. We appreciate our faithful donors to these raffles and would like to include you and your business! It is one more way to get your name out to our audience.

The Flushing Area Concerts in the Park look forward to announcing you as a sponsor and thank you in advance for your support.
