

Come join with Flushing Masonic Lodge #223 as we host a bed building and fellowship day. Flushing Masonic Lodge #223 is partnering with Sleep in Heavenly Peace, a nationwide 501c3 nonprofit with a local chapter serving Genesee, Eastern Shiawassee, and Southwestern Tuscola counties. SHP builds and supplies beds and complete bedding to kids in our community who don't have a bed to sleep on. So many great charities provide clothing, meals, and toys to families in need. But as wonderful as this aid is, few organizations offer suitable beds and bedding to the kids in these families and the need in this area is greater than you might imagine.

This is an opportunity to get our hands dirty, become involved in the process, and physically make a difference in a child's life with the bonus of being able to spend a few hours with our brothers in craft and refreshment.

All are welcome to come out with us on Saturday October 1<sup>st</sup> @ 9am for a few hours of bed building and fellowship for this great organization. SHP will supply all the materials, tools, and experience, Flushing #223 will supply the location and lunch, and anyone that wishes to join us will supply the labor. No previous experience or skill level is required.

Interested in becoming a Mason or learning more about Freemasonry, this is a perfect opportunity to learn what we are about.
