

# 2020 Flushing SummerFest

## June 10<sup>th</sup> - 14<sup>th</sup>, 2020

May 1<sup>st</sup>, 2020

To the Flushing Community,

It is with great sadness that the Flushing SummerFest Committee and Flushing Area Chamber of Commerce Board of Directors announces the postponement of this year's festival. At this time, it is of the upmost importance that we take care of our community and act responsibly so as to focus on overcoming this pandemic as soon as possible. As much as we would like to continue planning for the event to take place in June, the health and safety of our patrons, volunteers, and vendors is of utmost importance to us.

The SummerFest committee has been working very hard over the last ten months planning for this year's SummerFest and we are heartbroken that the festival will not take place at the normal scheduled time. This decision was not taken lightly, we understand the financial and social impact the festival brings to the Flushing Community. The Flushing SummerFest is a Flushing tradition that works seamlessly with the City of Flushing, the Flushing Community Schools, and our generous sponsors and our many volunteers.

Like many other festivals and community celebrations scheduled for 2020, the SummerFest has faced many challenges over the last few months, but we are hopeful to still have our event this year, just at a later time. We are looking forward to continuing to plan for our event in 2020 and will be updating our community when any decisions are made. Thank you for your patience and understanding during these unprecedented times. Thank you for your continued support of the Flushing SummerFest.

Sincerely,

2020 SummerFest Committee & Flushing Area Chamber of Commerce Board of Directors
