

Online Town Hall Forum

Normal is Gone...Now What?

Alzheimer's Care and Resources During COVID

A free virtual educational seminar for family caregivers featuring Alzheimer's care and medical experts.

Memory loss resulting from Alzheimer's disease and related dementias has a profound impact on the family. Join us for a free online seminar to learn how to empower yourself during these unprecedented times.

When: **Thursday, November 12, 2020**
10:00 am to 11:30 am

Register: **Online Town Hall Forum via Zoom**
Register at [activcareliving.com](https://www.activcareliving.com)

Topics: During COVID, Alzheimer's has not gone away. Instead, staying at home has increased the impact on family caregivers. At this free online seminar, Alzheimer's care experts will provide practical advice to family caregivers. Discover resources and techniques to help guide the caregiving journey.

Speakers: **Daniel Sewell, MD** - Professor of Clinical Psychiatry at UC San Diego
Todd Shetter - ActivCare Living COO

Cost: This is a **free** educational event for family caregivers

RSVP: Reservations are required.
Call 888-636-5677 or visit [activcareliving.com](https://www.activcareliving.com).

Presented by:

ACTIVCARE[®]
Residential Memory Care

We Can Help

Free caregiver resources are available at an ActivCare community near you.
