## Planning a trip out of the country this summer?

Do you know if your existing medical plan covers you or your family while traveling abroad? Some plans do offer some sort of limited coverage, but not all do. Buckman-Mitchell offers Travel Insurance. In addition to medical coverage, many policies also include coverage for lost baggage and medical evacuation should you need to head back home for continued medical care. Premiums are based on the cost of the trip and the number of days you will be travelling. We encourage you to call us for a quote if you plan on traveling out of the country. The cost is less than you would think!

### Features Include\*:

- **Guaranteed issue!**—no health questions!
- Up to \$2,000,000 policy maximum (*benefit reduced after age 69*)
- Immediate policy issue
- Easy-to-quote daily rates
- Up to \$100,000 for acute onset of pre-existing conditions (*for US citizens or foreign nationals up to age 69*)
- Emergency medical evacuation, terrorism, AD&D and repatriation coverage automatically included
- For US citizens living or traveling abroad (*5 days to 1,092 days*)
- For foreign nationals traveling within the US (*5 days to 364 days*)
- 100% U&C coverage outside the US
- Zero deductible option

\*Features listed above are for the Atlas Worldwide Coverage option. Other plans are subject to their plan benefits.
