

Dear Buckman-Mitchell,

I am extremely grateful to receive the scholarship that you guys have selected me for. I am deeply sorry for the late letter. I am beyond blessed to accept this scholarship that will help me pursue my lifelong goal of attending a four year university directly after high school. I will be the first member in my family to attend a four year university which is a big accomplishment for not only me but the rest of my family. Buckman-Mitchell has helped to make this dream come true and I could not be more thankful for the opportunity.

I plan to attend California State University Fullerton where I intend to major in Business Administration. Attending Cal State Fullerton has been my dream since the 8th grade. Throughout the years I have been blessed with a supportive family who always encouraged me to do my best in everything I do. My dad Gilbert Gonzales who has coached me on not only in multiple sports teams but has been the greatest mentor in my life. My mom Mistie Gonzales who has always supported me and taken care of me since the day I was born. To them I owe everything too, if not for them I honestly don't know where I would be.

Thank you Buckman-Mitchell for helping me to reach my goal. For allowing me to ensure that all the time, all the hard work, and all the sacrifice pay offs in the end. For giving me the opportunity to take the next step not only for me but for the rest of my family. I am beyond grateful for the chance to make my family proud and live the dream that is now becoming a reality. Thank you to everyone in this company for making this possible.

Sincerely,
