Design Driven, People Powered

At Gatco, every piece begins with passionate designers and skilled artisans who bring decades of expertise to life.

The Locke Collection

With clean lines and bold forms, the Locke collection embodies the perfect blend of industrial strength, structure, and refined elegance.

Bold Lines, Timeless Style

Each piece in this collection is inspired by the timeless sophistication of a watch, featuring a unique interlocking design that brings the same depth, precision, and elegance to your bathroom decor.

The Gibson Collection

It's time to reimagine the bathroom as a canvas for self-expression.

The Gibson collection by Gatco invites you to embrace the past, celebrate the present, and make a bold statement about the future.

Retro Reimagined

The Gibson collection takes inspiration from the silhouette of a guitar. The gently curving lines and soft edges of a guitar body are echoed in the main design element.
