APRIL IS NATIONAL CREDIT UNION YOUTH MONTH

Dreaming of our ideal future delights and inspires us. Putting your dreams and goals down on paper where you can see them every day helps you achieve them. Using your imagination (right/creative brain) and writing those plans down (left/logical brain) engages your whole brain, including your subconscious. This makes it easier for you to find and seize opportunities that will help you achieve your goals and keep you motivated. To make dreams come true, you need to have clear goals and very likely, save some money to make them happen. Having an Extreme Teen Account at WKFCU can help you with that goal.
