

LEARN TO SAVE LIVES

CCE IS NOW OFFERING **FREE** VIRTUAL **NARCAN TRAINING**

Narcan, also known as naloxone, is a medication used to reverse opioid overdoses. Now more than ever, individuals are encouraged to prepare themselves with the training and confidence they need to respond quickly in an overdose situation.

Training will include:

- How to recognize an opioid overdose
- How to administer Narcan
- How to care for an individual until emergency services arrive

Individuals who complete the training will receive a Narcan kit
