

INTRODUCING OUR ADOLESCENT PROGRAM

OUR PROGRAM

We're excited to introduce our new adolescent program - created to support teens who are struggling with substance use and mental health.

We meet teens where they are at, help them build healthy coping skills, and give them room to grow safely.

WE OFFER:

- Support for ages 11-17
- Medication Assisted Treatment
(for all use disorders, including nicotine)
- Counseling & Psychiatry

Office of Addiction
Services and Supports
Adolescent Services Endorsement
