Tobacco Action Coalition of Long Island

TAKE DOWN TOBACCO DAY: TACKLING YOUTH VAPING

Join the Tobacco Action Coalition of Long Island and Sohan Shah, Campaign for Tobacco Free Kids Youth Advocate of the Year, for an informative night of education and discussion surrounding the dangers of youth vaping and the deceptive marketing tactics of the tobacco industry.

The event will feature a youth panel, together with experts in advocacy, public health, and medicine for a night of engaging and informative dialogue. Parents, youth and community partners will be able to gain the knowledge and tools to aid in the prevention of youth nicotine addiction.
