

## CAREER PATHWAYS TRAINING PROGRAM

# Are you interested in keeping New York communities healthy?

Build your healthcare career **debt free.**

The demand for healthcare professionals has never been greater. The Career Pathways Training (CPT) program is our solution. This transformative experience enables students to further their education, advance their career and make a meaningful impact in their community—all at no cost to you.

Whether you are just starting your educational journey or are looking for growth opportunities in your current role, the CPT program can help.

### PROGRAM OFFERINGS:

**Financial Assistance:** The program covers all tuition, training, books, and administrative fees—ensuring students can focus on their educational goals rather than the financial burden.

**Program Resources and Support Services:** The program offers individual case management, tutoring, test preparation and career counseling.

**Job Placement Assistance:** Upon completion of the program, all participants will receive assistance in securing a full-time position with good pay and good union benefits.

### ELIGIBILITY REQUIREMENTS:

**Current Enrollment:** To join the CPT Program, you must enroll or already be enrolled full-time in one of the 10 target healthcare programs. (\*see Target Occupations)

**Completion Commitment:** You must complete your program within three years or by the end of 2027.

**Service Commitment:** You must commit to a three-year service requirement, working for a healthcare provider in New York State that serves a patient population that is at least 30% Medicaid-reliant or uninsured.
