

SMPS ORANGE COUNTY

Honoring Excellence in Marketing Communications & Professional Achievement

SMPS Orange County's Member Appreciation Awards recognize excellence in marketing communications and the outstanding achievements of top marketing professionals.

Member Appreciation Awards are granted to "Rising Stars" in the industry and Member of the Year. These professionals will be recognized for exceptional accomplishments in our industry.

Submissions are judged by a selection panel of SMPS leaders, including the Membership Director, President, President-Elect, an SMPS Fellow, and another California-based Chapter Board Member. The awards provide an opportunity for peer recognition and to showcase the outstanding efforts made by those with a passion for our industry.

Nominations may be submitted by both members and non-members with offices located in the Orange County region. However, only members are eligible to receive awards. If you need to confirm your nominee's membership status, please contact stephanie.wood@stantec.

* To help ensure a prompt response, please title this email request: SMPS OC Award Nominee Membership Status

MEMBER OF THE YEAR AWARD

This award salutes a marketer's achievement, extraordinary leadership, and significant contributions to his/her firm's marketing success during the past year. To be eligible for this award, this candidate must be a mid-to-senior level marketer who demonstrates a passion for out-of-the-box thinking, creativity, and communication skills.

The candidate must have more than five years of industry experience and be an SMPS Orange County Member in good standing. Please note, current SMPS Orange County Board Directors are not eligible to receive this award.

What does it take to be a winner?

Candidates should demonstrate their commitment in all the following areas:

- Strategic Planning – facilitates research of industry trends and firm goals, develops strategic marketing plans, and produces result-oriented business development plans
- Management – demonstrates the ability to lead within the firm and throughout the industry by contributing to the success of internal (i.e. operations, finance, administration) and external (i.e., SMPS Orange County) organizations
- Communications – develops successful communication programs utilizing marketing materials (i.e., direct mail, newsletters, social media, press releases, advertising, trade shows, and/or special events) to produce tangible benefits
- Innovation – introduced a new marketing approach or service that added value to the firm and/or received positive recognition from clients
- Education and Training – facilitates or participates in an internal professional development program to help marketing and technical staff better understand the role of marketing, business development, client support, and mentorship within the firm
- Service – devotes time to the growth, visibility, and advancement of marketing within the AEC industry through professional articles, public speaking engagements, technical training, and/or supporting organizations (i.e., SMPS Orange County)
