❖ ❖ About the Retreat ❖ ❖

The retreat will trace the development of ancient Israel and then the followers of Jesus into the *People of God*. It will suggest religious sentiments and commitments required each step of the way. The **eight priorities** mentioned by our **Minister General Michael Perry** will be explored in light of the Old Testament prophets.

We Franciscan Friars are called; to be men of Prayer; to be about *we-us-ours* rather than *I-me-mine*; to live *sine proprio*; to live with the poor; to have a mission mentality which allows us to see God in all people especially those that society struggles with the most; to be in communion with the local Church; to have greater collaboration with the laity and the Franciscan Family including the possibility of inter-obediential collaboration and living.
