Cranky Chicken; hardcover graphic novel ~ \$11 ~ Qty: _____

Cranky Chicken is, well, cranky. With one cranky eyebrow, cranky eyes, and even cranky, scratchy feet. But then one day, Cranky meets a very friendly worm named Speedy who wants nothing more than to be friends. Young readers will love seeing the mismatched friendship grow over the course of three charming and laugh-out-loud short adventures as Chicken and Speedy become BFF's (Best Feathered Friends) and Speedy shows Chicken how to look on the bright side.

Perfect Pigeons; hardcover picture book ~ \$15 ~ Qty: _____

A colorful flock of pigeons pride themselves on their perfect unity. All except one: a bespectacled pigeon who is happiest doing its own thing. While the flock all looks the same, this pigeon enjoys wearing cowboy boots. While the flock flies in perfect formation, this pigeon soars like a superhero. When the flock finally confronts their contrary friend, they learn a thing or two about true perfection—and that we don't all have to be the same to belong together.
