

# Excellence in Education Awards & Dinner

## TEACHER APPRECIATION BASKET - DONATION FORM

The Chamber has a strong working relationship with the Anchorage School District. Our Chugiak-Eagle River community is home to eight ASD elementary schools (including Eagle Academy Charter School), two middle schools, and two high schools. The Awards' Dinner is designed to specifically recognize a staff member from each of the ASD schools in our community. More so than ever, following the November 30<sup>th</sup> Earthquake, recognizing the truly amazing work and collaboration of the school staff is highly needed.

**Please consider the following:** The Chamber is currently seeking donations for 12 centerpiece baskets for each staff/teacher honored from each school. These may be in the form of a gift certificate, office supplies, food, vouchers etc. If you are able, these items are needed by March 15<sup>th</sup>. Chamber staff are available for pick-up if needed.
